Atty. Docket No.JP919990098PCT  
(590.051)

Amendments to the Specification:

Please move page 6 of the specification to be placed directly after page 4 of the specification such that page 6 occurs in the specification between pages 4 and 5, and renumber pages 5 and 6 accordingly.

Please delete the first line of the specification on Page 1, line 1.

Please insert the following heading before heading, "Background Art" corresponding to the second paragraph of the specification on Page 1:

**BACKGROUND OF THE INVENTION**

*from 8/16/01*  
Please amend the specification to move the heading and section on Page 6 of the specification titled "Brief Description of the Drawings" and append it to the end of Page 2 of the specification.

Please amend the specification to add the following heading at the top of Page 3 of the specification:

**DESCRIPTION OF THE PREFERRED EMBODIMENTS**

Please amend Page 9 of the specification to remove lines 1, 2, 3, 6, and 18 (the lines with bracketed headings). Also, please amend the remaining two paragraphs on the page to concatenate them into one paragraph. Additionally, please amend page 9 of the specification to add the following heading at the top of the page:

**ABSTRACT**
